About Me

As a fresh graduate of Bachelor of Science in Information Technology, I am excited to embark on a career in the field of IT development. Throughout my academic journey, I actively sought opportunities to collaborate with peers on projects, which enhanced my ability to work effectively in teams and adapt to different working environments. I possess excellent communication skills, both written and verbal, allowing me to effectively convey technical information to both technical and non-technical audiences. I am a quick learner and always strive to expand my skill set to meet the evolving needs of the industry. I am excited about the possibilities that lie ahead and look forward to utilizing my skills and knowledge to drive innovation and deliver impactful solutions.
