PROFILE

I'm a 4th year Bachelor of Arts in information Technology Student of Bohol Island State University - Balilihan Campus. I am a student journalist with a 7 years of experience, most recently as a Editor-in-Chief of The Campus Access the official school publication of BISU Balilihan campus. My area of expertise is writing and editing articles for the school publication. I also layouts and capture some of the posts and photos of the publication. I am currently managing the social media platform of the of the Campus Access particularly its official facebook page. I am also the Vice President of the Supreme Student Government of BISU Balilihan, and it helps me to mold and develop my communication and leadership skills.
